

Today's healthcare facilities are constantly seeking ways to turn under-utilized space into space that generates revenue. The search for steady sources of non-reimbursed revenue can be especially challenging.

A partnership with **life uniform™** may be your perfect opportunity to meet that challenge by re-purposing under-utilized space to generate revenue, improve clinical dress code compliance, and boost employee morale.

An empty room is all **life uniform™** needs to create the perfect on-premise retail outlet for your facility. **life uniform™** supplies the plans, the personnel, inventory... everything it takes to capitalize on the untapped opportunity that may be waiting in currently under-utilized areas of your facility.

- ✧ **Significant convenience for your employees** – our on-premise stores are perceived as an excellent employee benefit
- ✧ **Employee discounts** from time to time on selected merchandise
- ✧ **Well dressed and professional looking employees** – our on-premise stores are inventoried to meet your clinical dress code requirements
- ✧ **A steady stream of non-reimbursed revenue for your hospital** based on our store's monthly sales
- ✧ **Turnkey operation with no cost to your facility**- we staff and inventory
- ✧ **Our stores require only a minimal "footprint"** to be very successful
- ✧ **We also offer a prefab store** that may be sited on the hospital or employee parking lot if no space is available within your facility
